

DPD-5082-59
Copy 5 of 5

28 July 1959

MEMORANDUM FOR: Chief, Contract Branch, DPD

SUBJECT : Contract No. PF-400 Granger Associates
Satisfactory Completion of Contract

REFERENCES : A. CHAL-0694, dated 9 July 1959
B. ADIC-7742 dated 13 April 1959
C. [redacted] dated 28 April 1959

1. In March, 1959 the flight testing of the prototype Granger Countermeasures Repeater, Mod 504, was completed at the Edwards Air Force Base, North Base, California, facility. The performance of the electronic equipment was satisfactory in accomplishing the requirements of the prototype design specifications.

2. The Edwards facility was directed by CHALICE Headquarters via ADIC-7742, dated 13 April 1959, cable to deliver the [redacted] rather than return this item to WADC. [redacted] dated 28 April 1959, confirmed this delivery.
